| Do you have any specific needs or<br>requirements for the event?                                    | test                 |

What is your field of expertise?

test

How informed are you about the Sustainable Development Goals (SDGs)?

test

What skills do you wish to accomplish with this hackathon?

test

Your QC skills

test

What three topics of Quantum Computing are you interested in?

test

Which quantum hardware are you particularly familiar with if any?

test

Preferred Quantum Computing Language?

test

Is it your first hackathon?

test

What are the AI Skills that you are familiar with?

test

Briefly describe your experience in hackathons or related projects

test

## Team Information

### Section 3

Are you participating as part of a team?

test

If yes, provide your team's name

test

How many members does your team have?

test

Please list their names

test

## Project Information

### Section 4

In which of the Sustainable Development Goals (SDG) would you be most interested in for this project? (choose 2)
